# HAMILTON ROAD IMPROVEMENTS

## SR 161 to Central College Road

# Project Limits

# Project Overview

- Enhancing the Hamilton Road corridor from E Dublin Granville Rd. to Central College Rd.
- Widen Hamilton Road for improved safety and added capacity
- Adding sidewalks and a shared-use path for safer walking and bicycling

## Project Need – Why Now?

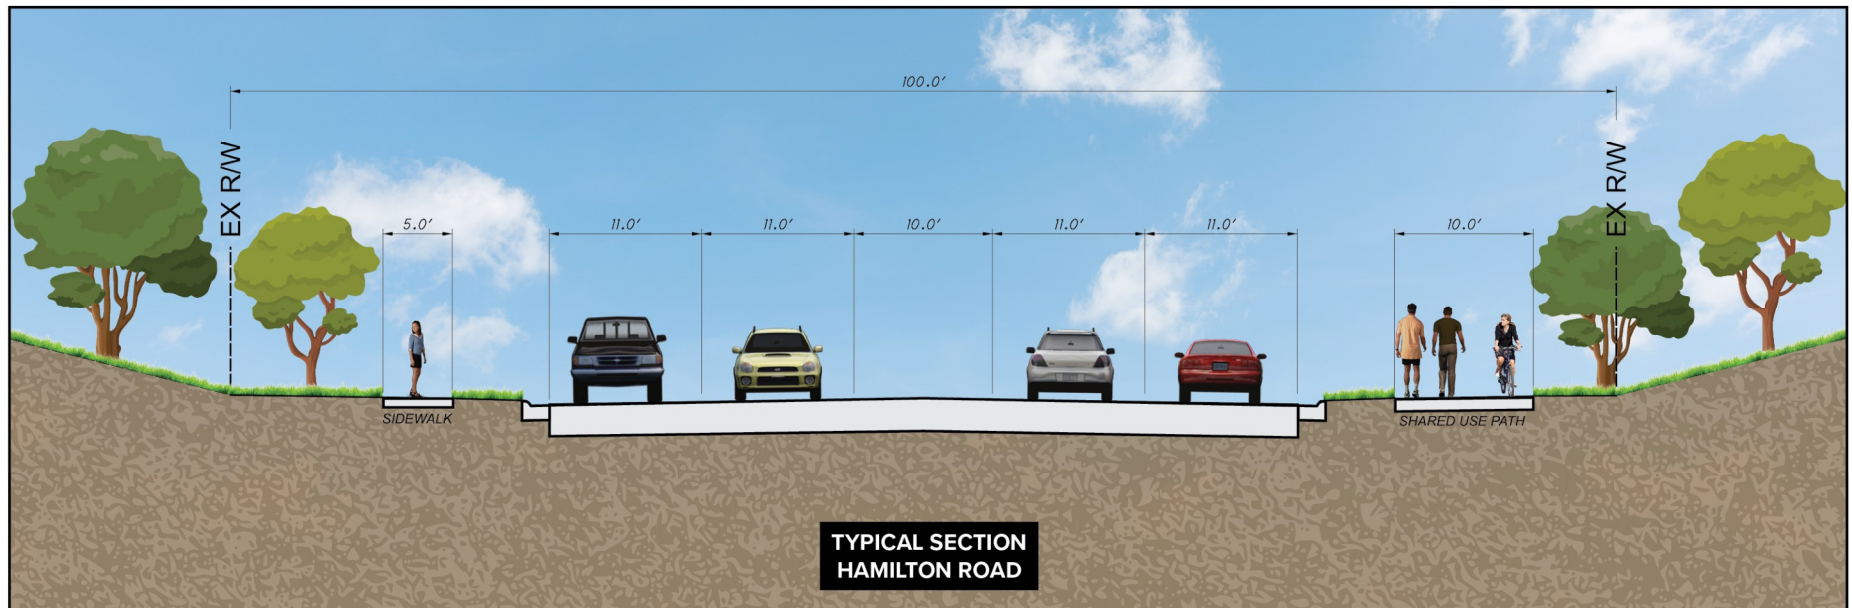

- Hamilton Rd. needs additional capacity and added pedestrian facilities
- Improved stormwater drainage through the addition of curb and gutter and an enclosed drainage system
- Lack of safe areas to walk and bike within this important corridor
- This project will address all these issues at same time

# Street Improvements

- New pavement and curbs
- Widened roadway to 5 lanes (2 NB, 2 SB & TWLTL)
- Shared use path (east side of Hamilton)
- Sidewalk (west side of Hamilton)

# Proposed Typical Section
